

Dear Parents/Caregivers,

All students are required to wear the Kotara South Public School uniform. A school uniform helps build school pride and identifies students as belonging to Kotara South Public School.

The Uniform Shop is operated by the KSPS P&C on a voluntary basis. It is located next to the Canteen, inside the Canteen building. Uniform items can also be purchased through our online shop or in person. The days and times of operation are advertised via the [School website](#) and Facebook/Kotara South Public School P&C <https://kotara-south-public-school-pc-association.square.site...>

When placing an order online, the order will be sent home with your child within 3-4 school days.

Our mission is to provide good quality and comfortable uniforms at a reasonable price. We also offer second hand items for a gold coin donation

For your convenience, the Uniform Shop will be open for each of the Kinder Orientation Sessions. We encourage you and your child to come into the Uniform Shop so we can assist you with the sizes and styles within our range. We will also be open over the January period.

Students are assigned to their sports house during kindy orientation. Siblings of current students will be placed in the same sports house as the existing sibling.
